

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
STATE: MONTANA

Section 1924
Provisions of
the Act

- A. Income and resource eligibility policies used to determine eligibility for institutionalized individuals who have spouses living in the community are consistent with 1924.
- B. In the determination of resource eligibility the State resource standard is \$2,000.
- C. The definition of undue hardship for purposes of determining if institutionalized spouses receive Medicaid in spite of having excess countable resources is described below:

An "undue hardship" means that neither the institutionalized nor community spouse has the legal right to make resources available for the institutionalized spouse's cost of care.
